

Road Paved.
Fresh Paint.
Beautification.

PAVING
LOUISIANA'S
FUTURE

Paths to Progress invites you to attend a neighborhood informational meeting to discuss the repair and rehabilitation of the following roadways in your area:

Newton Street
(Whitney Avenue - Behrman Avenue)

General De Gaulle Drive
(Holiday Drive - Woodland Drive)

**Wednesday, July 23
6 p.m.
Algiers Regional Library
3014 Holiday Drive
New Orleans, LA 70131**

(Please use the main entrance on Holiday Drive to access the library parking lot.)

Construction of these street segments is proposed to start August 2014. The primary focus of this informational meeting is to discuss construction and repair details and answer questions.

Paths to Progress is a transportation improvement program to rehabilitate, restore and enhance more than 60 roadway segments in Orleans and Jefferson parishes. With a combined investment of over \$90 million, Paths to Progress is a collaborative effort between the Federal Highway Administration, Louisiana Department of Transportation and Development, New Orleans Regional Planning Commission and City of New Orleans.

If you require special assistance due to a disability in order to participate at this meeting or if you need additional information, call 1-800-574-7193.
